Sir:

This Reply is submitted in response to the Office action dated May 31, 2007, setting a three month shortened statutory period for response that expires on August 31, 2007. Accompanying this Paper is a Petition for Extension of Time, which extends the shortened statutory period by two months or until October 31, 2007. In the event that the shorted statutory must be extended to avoid abandonment of the application and a petition to extend is missing or defective, the Office may consider this statement to be a substitute petition and authorization to charge Deposit Account No. 50-3141. Remarks begin on page 2. This Reply contains no amendments to the claims, specification or drawings. Further examination and reconsideration and admission of the amendment and allowance of the application respectfully are requested.
